

WHO WE ARE

J.P. Morgan has been doing first-class business in a first-class way for more than 200 years. We deliver the best solutions and advice to meet our clients' needs, anywhere in the world. We have an exceptional team of employees who work hard to do the right thing for our clients, shareholders and the firm every day.

MORE ABOUT US

At J.P. Morgan, diversity is a firm-wide, global effort. We have operations in over 60 countries, and our goal is to hire the best people from the broadest pool of applicants. By doing so, we are better able to serve clients around the world in a culturally-informed manner.

We cast a wide net in attracting talent, seeking diverse, talented candidates to hire. We create a work environment that embraces the varied backgrounds, cultures, work styles and lifestyles of our people so that we can bring our "whole selves" to work.

WHO WE'RE LOOKING FOR

We believe J.P. Morgan is one of the most exciting places in the world to build a financial services career. Along with our reputation, our people are our most valuable asset. We offer our people the ability to reach their full potential, advance and be rewarded based solely on their capability and character. Our employees' integrity and values matter.

WORKING HERE...

Scott Molloy
J.P. Morgan Equities
Research Analyst

J.P. Morgan has proven to be an excellent company in which to start my career. Right from my experience as an intern, through the graduate program, and now as an equities research analyst, my colleagues have created a supportive working environment. There is a strong commitment from senior management to encourage diversity across every dimension, including with respect to LGBTI employees. This isn't just a box-ticking exercise. Rather, diversity is recognised as a key driver of innovation, and an absolute necessity for providing best-in-class service to our increasingly diverse client base.
