MORE ABOUT US

Globally, Air Force has between 350 and 400 Air Force Personnel on operations each day, contributing to coalition operations, peacekeeping and humanitarian and disaster relief.

WHO WE'RE LOOKING FOR

A great Air Force needs more than pilots. The men and women of Air Force deliver and manage strategy, operations, engineering, logistics and support to make great air power possible, every day.

If you possess a willingness to lend a hand, have a keen sense of adventure and are a strong team player, then Air Force has a range of career options available.

INSIDER INFO

Air Force is a values-based organisation. People are respectful, inclusive and strive to maintain the high expectations and trust that the Australian public have in us.

Air Force actively supports members of the LGBTI community through a range of measures and has worked hard to develop inclusive policies and entitlements that are not limited by a member's gender, personal circumstances or sexual orientation. Air Force actively supports personnel attendance at conferences and LGBTI community events, and has developed a guide which provides practical advice and support for LGBTI members in Air Force.

LGBTI Defence personnel and their families are supported by the Australian Defence Lesbian, Gay, Bisexual, Transgender and Intersex Information Service (DEFGLIS). DEFGLIS aims to support through professional networking, strengthen capability by inclusion, and educate Defence personnel about sexual orientation, transgender and intersex issues.
