WORKING HERE...

Amber Taylor
Data Analyst NSW
Trains and Transport
for NSW

My name is Amber. I have been an employee of NSW Trains (CountryLink) for the last 10 years - initially in the Newcastle Call Centre and for the last year as the data analyst for Sales and Marketing.

I'm a transsexual woman and started transitioning 3 years ago when I realised I was trans.

Management and my colleagues were more than 100% supportive and excited by my journey.

My trans “status” made zero difference to the level of respect I've received and continue to receive each day as I strive for excellence in my work.

My managers made every effort and more to help all the staff I worked with understand what it meant to be “trans” to facilitate inclusion and create a workplace that was peaceful for everyone.

NSW Trains is a beautifully inclusive company to work for who pride themselves in their excitement of diversity and rightly so.
